Mr. Abe Manley,
101 Montgomery St.
Newark, N. J.

Dear Abe:

What is the situation at Savannah?

Are they giving you the run around? I am holding up and looking expecting to hear from you every day. Savannah has April 7-14-28 open and I am open on those dates so as to give you what you wanted. I have no Sundays at Jacksonville and do not have lights until April 19th. I am figuring on you in Jacksonville April 8th. Let me know something at once I don't want to lose out my self waiting and every one get set. Trusting every thing is working out O.K. and hoping to hear from you by return mail I remain

Very truly yours
W. A. Anderson
